Hemorrhages Result from Builet Wounds Inflicted in Street Shooting, But Victim Out of Danger.

After having been shot twice by another Mexican who said a \$200 debt was the cause of his shooting the other, Clementi Mena, Mexican ,was reported beyond the danger point by attendants at the Las Vegas hospital late last night.

E. Mcreno, assailant, who is said to have hit Mena on the head with the butt of his revolver after having shot him twice, is lodged in the county bastile and undoubtedly will face a charge of assault with intent to kill.
